SPARKY
Sparky is the Rock Raiders' top engineer. He has a way with tools and keeps the team's vehicles going through the Underground's amazing maze of tunnels. Unfortunately, Sparky is also clumsy, and always seems to be in the right place when things go wrong! Several times he has come face-to-rock with an angry Rock Monster.

ROCK MONSTER
The Rock Monster is king of the underground caverns. He doesn't rock the boat unless a Rock Raider takes one of his crystals. Then Rocky knows his top faster than a volcano, and the Underground really starts shaking and quaking.
